

# IVAO XG – Training Department

## XG-Division Exam Standards

IVAO XG Training Department	Issued by	Date	Approved by	Date
Divisional Exam Standards	Matias Demirdjian XG-TC	09APR2019	XG-HQ	10APR2019
Rev 2.3	Benjamin Roemer XG-TA1		Training HQ	

## Introduction

The GCC Division's (XG) Training Department have recently observed several exams where the applicants did not have sufficient theoretical and practical knowledge before requesting the exam. For this reason, we would like to introduce new XG divisional exam standards with the approval of the HQ Training Department, meaning that all exams which do not comply with these standards will be cancelled without further notice.

## General Standards – ATC EXAMS

- All ATC Exams will take place at Dubai International Airport (OMDB\_N\_TWR), Dubai TMA (OMDB\_N\_APP) or UAE ACC (OMAE\_CTR) only. In the future, we plan to extend other GCC airports to the list, according to our evaluation of the general performance.
- IVAC 1 it's the only approved ATC client for Exams; it's usage is mandatory.
- On all practical Exams, the only approved way for coordination is the Multichat in IVAC 1
- Adjacent ATC units of the examinee's station must also use IVAC 1, otherwise the exam won't be validated.
- Recently transferred XG members: must control at least 30 hours in the last 2 months on the position where the examinee aims to do his/her exam in order to familiarize him/herself with XG Local Procedures.
- XG Division Member: must control at least 15 hours in the last month on the position where the examinee aims to do his/her exam.
- Although it is not obligatory, but it is highly recommended to request a training session prior to the exam, to make sure that the examinee is fully ready.
- A theoretical and practical Check Out prior to the exam is mandatory, with one of our trainers. Exams request without a requested Check out, will be canceled without further notice.

## ADC EXAMS

The Exam will take place at Dubai International Airport (OMDB/DXB)

Along with the IVAO HQ Exam standards we describe new requirements:

- An upper position (APP/CTR) must be online for the duration of the exam, without it the exam cannot be started;
- The examinee has to control all the stations at the aerodrome level (DEL, GND, TWR);
- Before going online on the practical exam, the theoretical examination must be passed, without passing it the practical part cannot be started.
- We recommend to split dates for theoretical and practical exams

## APC EXAMS

The Exam will take place in Dubai TMA and cover: OMDB, OMSJ and OMDW

Along with the ICAO HQ Exam standards we describe new requirements:

- A TWR and an ACC unit must be online for the duration of the exam, without the adjacent units the exam cannot be started.
- The examinee has to control the whole TMA, no other APP or DEP positions are allowed during exam.
- Before going online on the practical exam, the theoretical examination must be passed, without passing it the practical part cannot be started.
- We recommend to split dates for theoretical and practical exams

## ACC EXAMS

The Exam will take place at Emirates ACC (OMAE)

Along with the ICAO HQ Exam standards we describe new requirements:

- The examinee has to control the whole FIR and OMDB\_N\_APP unit.
- No Holding nor Upper Level controller is allowed during the exam (OMAE\_H\_CTR / OMAE\_U\_CTR)
- Before going online on the practical exam, the theoretical examination must be passed, without passing it the practical part cannot be started.
- We recommend to split dates for theoretical and practical exams

## SEC EXAMS

SEC Exam will take place at Dubai TMA. SEC exams will be conducted by two Training HQ examiners.

<b>I CAO XG Training Department</b>	<b>Issued by</b>	<b>Date</b>	<b>Approved by</b>	<b>Date</b>

## ATC EXAMS APPROVED POSITIONS TABLE

	DEL	GND	TWR	APP	ACC
ADC	✗	✗	✗	✓	✓
APC	✓	✓	✓	✗	✓
ACC	✓	✓	✓	✓	✗
SEC	✓	✓	✓	✗	✓

## PILOT EXAMS

For all Pilot levels a theoretical and practical checkout with one of our trainers prior to requesting the exam is required, without it, exam request will be canceled without notice.

XG Training Department highly recommends passing at least a theoretical and practical training prior to requesting any pilot exams, however it is not obligatory. In other regards we do not set further standards along with the IVAO HQ Training Standards.

## NOTE

Amendment, alteration or cancelation of this XG Exam Policy should be initiated by XG Training Department and approved by XG Division HQ and by IVAO HQ Training Department.
